

VINTAGE CUTTING HORSE ASSOCIATION

2024 SHOW SERIES RULES

All Club Shows dates are tentative pending on weather (rain)

To comply with VCHA insurance requirements anyone mounted, riding or showing a horse on the show grounds or at any VCHA event must be a current member or registered loper in good-standing.

You must sign a release, be a member and settle your account prior to showing your horse (you may leave a blank check with the show secretary to settle the account).

Contestants are responsible for determining the eligibility of themselves and their horses to enter any class. Eligibility is based upon rider's and/or horse's LTE. Any points and/or monies earned by an ineligible horse or rider will automatically be revoked. Monies won in events restricted by age (futures, derbies, maturities, etc.) shall NOT be counted when determining eligibility.

Show Management reserves the right to cancel any class or combine smaller classes. The cattle from the combined class will be added to make a sizable herd.

Billing Fee: A \$30.00 billing fee will be assessed to Rider/Owner/Trainer, if failure to pay any outstanding monies owed by the end of show.

The above delinquent rider/owner/trainer will not be allowed to show again until all outstanding fees are paid.

All contestants will work at the appointed time designated by the show management. Horses/riders arriving late may be allowed to show and receive a score if the class drawn into is still in the arena. Under no circumstances will a horse be allowed to show & compete after its designated class is finished.

Entries are due by 9pm the Tuesday before the show; Late entries *may be* accepted after the deadline depending on cattle availability.

If you scratch a class, you will be charged a cattle fee for each fresh cattle class scratched.

Payment is due before the end of the show.
